

Pre-Employment Screening:

Your Recruiter scheduled your screening. If you need to reschedule, please contact the Health Office directly and inform your Recruiter of any changes.

Occupational Health Office

The Pre-Employment will be located on the Second Floor of the Main Hospital- Associate Health Office

[2000 NE 49th St.](#)
[Fort Lauderdale, FL 33308](#)

[See Map](#)

If you are under the age of 18 you must be accompanied by an adult to the pre-employment appointment.

They will do a TB test, a urine drug screening and a general health assessment. Please be prepared to give a urine sample (urine collection required). Please fully complete and bring the attached documents with you to this appointment.

- AH Pre-Employment Forms (PDF)
- Pre-Employment Health Screen Checklist (PDF)

Drink plenty of fluids before arriving in Occupational Health in order to be ready for the drug screen. You are not required to fast for this screening.

If you take any medications that may show up on the drug screen, please bring those prescriptions with you.

If you have had a QuantiFERON-TB (TB skin test) within the last 365 days, please bring your most recent results with you to Occupational Health!

COVID-19 vaccination is required. Please bring proof of COVID-19 vaccination with you.
