What's HOT South Florida: May 23 – June 5, 2024: Holy Cross Health announced their "LGBTQ+ Healthcare Equality High Performer" designation from the Human Rights Campaign Foundation (HRC)

By Scott Holland

<https://hotspotsmagazine.com/2024/05/23/whats-hot-south-florida-may-23-june-5-2024/>

Holy Cross Health announced their "LGBTQ+ Healthcare Equality High Performer" designation from the Human Rights Campaign Foundation (HRC). The designation was awarded in the 16th iteration of HRC's Healthcare Equality Index (HEI). A record 1,065 healthcare facilities actively participated in the HEI 2024 survey and scoring process. Of those participants, 462 received the "LGBTQ+ Healthcare Equality High Performer" designation. This year's HEI comes as LGBTQ+ adults are twice as likely as non-LGBTQ+ adults to be "treated unfairly or with disrespect by a doctor or healthcare provider" in the last three years, according to the Kaiser Family Foundation. The impact of anti-LGBTQ+ legislation combined with a history of discrimination in healthcare settings has the potential to cause even more LGBTQ+ people to delay or avoid seeking healthcare, which makes the HEI even more salient for those looking to find LGBTQ+-inclusive care.

Volunteer Celebrating Six Decades of Service

Robert Downing

Carmel Provencal

Congratulations to 17-year Cassels Resident, 97-year-old Carmel Provencal, who was **honored by Holy Cross Hospital for her 65 years of volunteerism.**

Originally from St. Claire Shores, Michigan, Carmen served for 11 years as a Professor of Home Economics across various Michigan colleges culminating at Michigan State. She married and made her way to Fort Lauderdale in 1959, continuing to teach at Pompano High School.

However, it was not just teaching that defined Carmel's life. Coming from a family that valued volunteerism, it was her desire to give back to her community that set her apart. Her journey with Holy Cross Hospital began decades ago. For 65 years she

has been a steadfast presence, offering her time, skills, and compassion to those in need.

The recent celebration held in honor of Carmel's six decades of volunteerism was a heartwarming affair. On

Monday, April 8, she was whisked away to an awards ceremony at Holy Cross. Carmel was not only treated to a sumptuous lunch, but also received tokens of appreciation honoring her service, including a bouquet of flowers, a commemorative tee-shirt, a crystal award recognizing her commitment, and a cozy Holy Cross snuggle blanket, perhaps a small token compared to the immense warmth and care she has shared with countless individuals over the years.

Juliette Valle On Her
Reign As Miss Florida And
Competing In Miss America

By **Paige Feigenbaum**

WITH A CROWN ON HER HEAD AND DIPLOMA IN HAND, Juliette Valle (University of Miami Class of 2023) represented Florida in the Miss America pageant in January, placing in the Top 10. She's especially proud of her response in the Q&A round.

"I had a dream of becoming the first Hispanic Miss America," says the Plantation native, whose father is from Lima, Peru. "I talked about wanting to empower women of all backgrounds, ethnicities [and] races. I said diversity, equity and inclusion is paramount and representation matters."

It's a dream Valle has been chasing since the age of 14. She was named 2016 Miss Broward County Teen and 2017 Miss Fort Lauderdale Teen. While in college, she won Miss South Florida Fair, followed by Miss Miami and finally Miss Orlando, each time earning a spot in the state competition. The third time was the charm and Valle won Miss Florida in June 2023.

Valle has made appearances statewide at speaking engagements, performing with the South Florida Symphony Orchestra and Florida Grand Opera and supporting organizations such as Best Buddies, Miami Lighthouse for the Blind and American Heart Association.

Valle, whose 23rd birthday is June 12, is committed to chronic

kidney disease prevention. The daughter of a nephrologist and transplant nurse, she can often be found making rounds alongside her father at Holy Cross Health in Fort Lauderdale.

"I'm there to learn because it is hard to have a platform that is medically related when you're not a medical expert," she says. "I always want to make sure that the facts I'm saying are accurate."

The trained opera singer released a Christmas album called "Joyfully Juliette" in December 2022 to raise money for The National Kidney Foundation of Florida and Donate Life America. It features unique arrangements of 10 holiday classics sung in a variety of genres. Valle brought her vocal talent to the Miss America stage, singing "Sempre Libera" from the Italian opera "La Traviata" by Verdi.

Valle has both brains and beauty. She's enrolled in online history and politics courses through Harvard Kennedy School and plans to attend law school in August. The theme park fanatic aspires to be an in-house attorney for Walt Disney World Resort or pursue a career in political broadcasting.
